

## Tenders called for Hospital

Having secured the necessary approval from the provincial department of health, the Sturgeon Hospital Board held a special meeting August 28th at which the architect from the firm of Rule, Wynn, Forbes, Lord and Partners was directed to call for tenders for building the hospital in St. Albert. These were published on September 3 and will be out for four weeks. After the resulting tender is approved by the Minister of Health a contract can be let for the construction.

## Dolman announces candidacy

DR. NORMAN G. DOLMAN

Dr. Norman G. Dolman, 42, has announced he will seek the leadership of the Alberta New Democratic Party at a convention to be held in Calgary, November 9 to 11. The convention is expected to attract at least 1,000 delegates. Dr. Dolman an optometrist, holds the position of second vice president of the provincial NDP Association, and has been active in the party for several years. He contested the riding of Edmonton Centre in the recent federal election and has run provincially in the St. Albert riding. Dr. Dolman served as a member of the board of trustees of the St. Albert Protestant Separate School District.

Dr. and Mrs. Dolman live at 55 Grosvenor Blvd., and have two children, both in high school.

## Kids stage show for Care

Judy, 9 and Leslie, 11, daughters of Mr. and Mrs. W. Wellman, 58 Grandora Crescent, were two busy little girls over the weekend. Assisted by Debbie Ten Hove, Rena Tate and Linda, Cathy and Heather Matreux, the girls Monday afternoon put on a play in the Wellman garage. The audience of neighborhood children and parents thoroughly enjoyed the program, which the

Dr. Dolman said he is seeking the leadership of his party because he feels the Alberta N.D.P. "needs restructuring." The political scene, he added, is moving very fast, and the party needs a new image. The world is getting into a serious state of affairs, he said. "It's not a matter of left or right anymore, revolts are against who ever the government is". He added "all over the world the younger people want to change their government, but the governments won't budge". Dr. Dolman said the only solution is a "democratic socialism", such as his party offers.

Dr. Dolman is the first to announce his candidacy, but at least three or four more candidates are expected to contest the leadership post which is being vacated by Neil Reimer.

## Scout Association party

Tickets are available until Monday, September 9 for the Annual Banquet and Dance of the Landing Trail District Cub and Scout Association. The big evening is to be held this year in Morinville Recreation Centre on September 14.

This is the only fund raising venture held by the Association at the district level and they are hoping for a capacity turn-out. All adults

youngsters entirely made up themselves. They even sewed their costumes "with quite a bit of help from our mothers". The proceeds of the afternoon, \$3,62, realized through the sale of admission tickets, coffee, kool aid and popcorn, is being donated to Care of Canada, because, says eleven year old Leslie, "some people need it more than we do".

## G. Townend gains membership in ACHA

Mr. Gordon Townend, Administrator of the Sturgeon General Hospital St. Albert, will be advanced to membership status in the American College of Hospital Administrators on September 15 at a convocation ceremony to be held in Convention Hall in Atlantic City, New Jersey. The convocation is held in conjunction with the 34th annual meeting of the College September 14-18 and Mr. Townend will be flying down to take in the meeting and receive his membership.

The ACHA is a professional society comprised of more than 7,000 leading hospital and health care administrative personnel, of whom, about 600 are Canadians. To be admitted a candidate must receive two nominations and complete two years as a nominee before taking the examination. Mr. Townend sat for his exam in April and passed it successfully.

The annual meeting of the College is held in conjunction with the convention of the American Hospital Association and involves thousands of administrative people in hospitals and health care programs. Papers and lectures are given on a variety of subjects from which those attending can choose the sessions of most interest to them. There are also extensive displays of equipment and supplies and Mr. Townend is looking forward to inspecting the displays for price comparisons and to see the new items on the market.

are welcome, whether they have boys in the movement or not. The evening gives everyone the opportunity to support the people who donate their time and talents throughout the year to working with the boys. So telephone your friends and make up a party for an evening of fun and relaxation. The evening begins with a sit-down banquet, followed by a dance featuring prizes and snacks.

For tickets telephone - Maurice Bailey (599-6808) or Bob Mittle (599-3829) in St. Albert. In Morinville call Nick Woytkiw at 256-3194. Please note that this is an evening for the adults only, including parents, their guests and all grown-ups interested.

NEIL ROSS GRADUATES FROM SUMMER COURSE Peering through the visual training sights of a three-inch-fifty naval gun is Officer Cadet Neil J. Ross of 306 St. Albert Road, St. Albert, who is a member of the University Naval Training Division at U of A. He was taking summer training in the Fleet School at CFB Esquimalt, B.C., along with 30 other members of the UNTD from 15 centres across Canada. Graduation Exercises were held at CFB Esquimalt, B.C., on August 16. Mr. and Mrs. Neil Ross attended as did Mr. and Mrs. Ron Harvey and Tony Harvey, Acting Sub. Lieut. Neil J. Ross will return to St. Albert shortly and continue his studies at U of A where he will be eligible for his B.Sc. Degree in May '69.

## Kinsmen Convention elects H. Moll

HARRY MOLL

Harry Moll of Montreal was elected National President of the Association of Kinsmen Clubs at the 48th Annual Convention held recently in Kamloops, British Columbia. He succeeds J. Arthur Jones of Edmonton.

In attendance at the National Convention in Kamloops were some 1,600 Kinsmen, Kinettes and Kinwives which included twenty-seven from the Kinsmen and Kinette Clubs of St. Albert. Heading the St. Albert delegation were President elect Bill Hite and Rodney Erickson, District Deputy Governor for Zone Two.

The Association of Kinsmen Clubs, an all Canadian organization, comprises over 13,000 members in 422 Clubs across Canada. Kinsmen are, however affiliated with the Round Tables of Europe, Britain and Ireland; the Apex Clubs of Australia; and Active 20-30 International of the United States, all being member groups of

the World Council of Young Men's Service Clubs. Each year the Kinsmen Association donates close to \$750,000 to service projects throughout the country.

Mr. Moll is 37 years of age, a graduate of Macdonald College, a division of McGill University, and holds an executive position in the public relations department with Man and His World.

Since 1962 Mr. Moll has been a member of the Kinsmen Club of N.D.G. in Montreal and served as bulletin editor, winning the District Bulletin Award; vice-president and president in 1964. While Deputy Governor of District Six he won the Deputy Governor's Shield. In 1966, he was elected Governor of District Six and at the 1967 National Convention in Halifax, he was elected National Vice-President.

## First service Sunday in new church

The first service in the new Braeside Presbyterian Church will be held on Sunday, September 8 at 11 a.m. The church has been under construction since March and is to be completed this week.

Sunday School registration will be held on Sept. 15 at 11:00 a.m. with classes starting on Sept. 22.

It is expected that the dedication of the church will be held early in October. The church is located at 6 Bernard Drive directly

## Kerry Cassidy wins scholarship

Miss Kerry I. Cassidy, a 17 year old St. Albert high school graduate, has been selected by the 4-H and Junior Forest Warden Branch of the Alberta Department of Youth to receive a \$600.00 scholarship and trip to Toronto and Guelph, sponsored by the Canadian National Exhibition.

Miss Cassidy and nine other 4-H provincial winners received the award at an official ceremony at the Canadian National Exhibition in Toronto on Friday, August 30th. Kerry left on Tuesday and returned Friday night and went off to work her shift at the Boston Pizza House.

The annual award is presented to 4-H members who have achieved excellence in 4-H and in academic studies.

Miss Cassidy plans to use the scholarships to attend the Faculty of Household Economics at the University of Alberta this fall.

A member of the Villeneuve 4-H Beef Club from 1963 to 1967, Miss Cassidy won firsts in several beef club projects and participated fully in activities such as

Cont'd on Page 2

across from the School Board offices.

A cordial invitation is extended to all Presbyterians and to other citizens of St. Albert who would like to make Braeside Church their church home.

Starting on September 9 the minister will be in his office daily from Monday to Friday from 9 - 12 noon. Appointments may also be made.

The church phone number is 599-6585.

## Kerry Cassidy

Cont'd from page 1

public speaking and organization of thematic displays, achievement days and social events.

At the St. Albert High School, Miss Cassidy won the Proficiency Plaque in Grade XI, served as treasurer and secretary of the Student Council, editor of the year book and was a member of the school team which appeared on the TV program "Reach for the Top". She was also one of the five students who represented the school at the UN Model Assembly at the University of Alberta in 1967. Miss Cassidy received an 80.5% average in Grade XII departmental examinations this year.

Miss Cassidy is the daughter of Mr. and Mrs. Harold J. Cassidy, R.R. #1, St. Albert.

## Around Town

Phone your social or club news to Hennie Stibbe at 599-7448. Arrangements for photographs can also be made. There is no charge for this service.

Sanctum president Edith Kennedy reports that the Teen Centre is just about finished, and should be ready for use before the month's end. Nearly all the painting has been completed and it really shouldn't be too much longer now.

Anxious mother to small son just home from his first morning at grade one, "how did you like school, dear?" Junior: "We sure did a lot of studying, but I guess we didn't quite get finished, because teacher says we have to come back after lunch".

Mr. and Mrs. Wm. Zahara and their six children, 22 Geneva Crescent, have returned from a holiday in British Columbia. The Zahara's spent 12 days fishing and camping in the northern and central parts of that province and then relaxed in 80 degree weather on Skaha Beach, Penticton. In Prince George they were joined by Mrs. Zahara's brother, Mr. Ed Madsen and his wife of Peace River, who continued on with the Zahara's. They returned home via the scenic Yellowhead Route.

It's a "Pot Party" ... The St. Albert Council C.W.L. is holding a membership "Pot Party". If you want to have a swinging time bring a friend and "take a trip" to the St. Albert Parish Hall on Monday, Sept. 16 at 7:30 p.m. A prize will be offered for the "hippiest".

Mr. and Mrs. Maurice Vaugoules have enjoyed visits from a number of friends and relatives in recent weeks. Mr. and Mrs. Emil Vaugoules

were here from Vancouver, Mr. and Mrs. Charles Beaulac of Detroit, who visited their son, Father Edward Beaulac O.M.I. in Fort Smith also spent a few days at the Vaugoules home and Mrs. Massie was a guest from Washington. Last Sunday a family gathering was held at the Vaugoules home, bringing a large number of relatives in this district together.

Joan Ebberts of the Sturgeon Valley 4-H Dairy Club was the recipient of the award offered by St. Albert Pharmacy for the Grand Champion animal, at the annual awards banquet held by the club.

Perron Street is looking the brighter this week with handsome new signs mounted on the Bank of Montreal building using their attractive new emblem in B of M blue. In addition the Club building housing Rae's Beauty Salon, Dr. E. H. Thomas, the Gazette and the new Katrina shop received a new paint job on the red brick and white trim.

Marone, six month old son of Mr. and Mrs. L. Clayton, 10 Greenview, is recovering from injuries sustained when the car in which he was a passenger was in collision on 11th Avenue, Tuesday of last week. The baby was taken to the Royal Alexandra Hospital with a suspected skull fracture. The driver of the second vehicle was charged with failing to leave a stop sign in safety.

Mr. Lothar Markowitz, 39 Garden Crescent, has won a merit award with his black and white entry in the Edmonton Journal's Amateur Snapshot Contest.

## M. Vettergreen heads Lady curlers

The St. Albert Ladies Curling Club held their first directors meeting for the 68/69 season on August 27. The following officers were elected: President - Marina Vettergreen; vice-president - Cecile Como; secretary - Bea Krogh; treasurer - Shirley Parkin; social convener - Donna Miller, assistants - Doris Harvey and Joyce Riley; bonspiel convener - Marion Murray.

The club is anxious to expand the afternoon league. A telephone survey will be conducted for this purpose. Following are some questions that will be asked:

- 1) Do you prefer one or two afternoons per week?
- 2) What position do you play?
- 3) Are you presently on a rink?
- 4) Would you be willing to skip a rink and take on two new curlers?
- 5) Will you require baby-sitting services?

All interested ladies are asked to call Donna Miller 599-7285 or Vera Neveu at 599-7398.

Mrs. A. Elkins has been appointed the Dog Catcher for St. Albert and this service will no longer be provided by the S.P.C.A.

Mr. Stan Mrochuk of Edmonton was very happy that what could have been a most

unfortunate loss turned out well, due to the honesty of a St. Albert resident. On leaving the office of Dr. E. H. Thomas on Perron St., late Tuesday afternoon he got back home before realizing that he had lost a sizeable amount of cash from his pocket. In the meantime Mr.

Don England of St. Albert had called at the Gazette office and while waiting at the counter spotted the loose bills on the sidewalk outside. The R.C.M.P. were notified and when Mr. Mrochuk returned in the early evening he was able to pick up his money.

## Teens enjoy flight

by Hennie Stibbe.

Some thirty St. Albert teenagers took to the air the evening of July 9 when they were treated to a 30 minute flight over the City of Edmonton and St. Albert in a Viscount, courtesy of Air Canada. The outing was arranged by Mrs. R. LeFebvre, who has always been vitally interested in young people, felt a flight over the Edmonton area would be a very thrilling way to celebrate the end of the school year. She approached Air Canada with her plan and set about arranging the event. With the help of the Student's Union presidents of both St. Albert high schools in Ex-

PUBLIC NOTICE RE BY-LAW NO. 16/68

Take Notice that the Council of the Town of St. Albert has introduced By-Law No. 16/68, a by-law to provide for the closing of a portion of Bishop Street between Sir Winston Churchill Avenue and Belmont Drive, pursuant to the Provisions of Section 175 of the Municipal Government Act, R.S.A. 1968.

Any person who claims that the land in which he is interested in as owner, occupier or otherwise will be affected/prejudicially by this by-law, will be afforded an opportunity of being heard by Council either by himself or by his agent at a hearing to be held on Monday, September 23rd, 1968, at 7:30 p.m. in the Council Chambers of the Town of St. Albert.

A copy of the proposed by-law is available in the office of the Secretary-Treasurer and may be inspected at any time during office hours.

J. M. Fleming,  
Secretary-Treasurer  
Town of St. Albert.

# Recreation News

Recreational groups who require facilities for their activities this fall and winter are asked to apply in writing as soon as possible to the Department of Parks and Recreation, Town Hall.

Y.W.C.A.

Mothers - you don't really have to sit at home all winter. You can join "Y" Neighbors and get out for a couple of hours each week, meet people and have a two-hour programme of Keep Fit, Crafts and Speakers - with baby-sitting provided. If enough mothers are interested (and this has proved a very popular programme in Edmonton) the Y.W.C.A. will run a pilot 6-week programme starting around the middle of October. Enquiries can be made by phoning the department at 599-6601.

## DEPARTMENT OF PUBLIC WORKS OF CANADA

### TENDERS

SEALED TENDERS addressed to the Chief, Electrical and Administrative Services, Department of Public Works of Canada, 10225 - 100th Avenue, Edmonton, Alberta and endorsed "POST OFFICE EXTENSION, ST. ALBERT ALBERTA," will be received until 11:30 a.m. (M.S.T.) SEPTEMBER 24, 1968.

Tender documents can be obtained on deposit of \$25.00 in the form of a CERTIFIED BANK CHEQUE made payable to the RECEIVER GENERAL OF CANADA through the following Department of Public Works of Canada offices:

10225 - 100th Avenue, Edmonton, Alberta; 2943 - 109th Street, Edmonton, Alberta; 400 Customs Bldg., Calgary, Alberta, and may be seen at the Construction Association offices in Edmonton and Calgary.

The deposit will be released on return of the documents in good condition within one month from the date of tender opening.

To be considered each tender must be submitted on the forms supplied by the Department and must be accompanied by the security specified in the tender documents.

The lowest or any tender not necessarily accepted. G. Ian Cameron, Chief, Financial and Administrative Services.

## Swim Team wins ribbons

A new schedule will be in operation from now until the pool closes on September 15. From Monday until Friday there will be public swimming from 1 to 5:30 p.m. and from 6:30 to 9:00 p.m. On Saturdays public swimming will be 9 to 12, 1 to 5 and 6 to 9. On Sundays there will be family swimming from 10:30 a.m. to 12 noon. Public swimming will be from 1 to 5 p.m. and 6 to 9 p.m.

In the last Mile Swim of the season held last Sunday evening Don McLoughlin gained a Silver Award (30 to 35 min.), Michael Gariepy and Robert Campbell gained Bronze Awards (35 to 40 min.) while Tim McLoughlin and Richard Gariepy finished the mile within the required 45 minutes.

Four members of the St. Albert Swim Club, accompanied by Coach Bernie Luttmer, travelled to Red Deer last week to take part in the Alberta Provincial "B" finals and, as we have come to expect from our young representatives, they all brought ribbons home with them. Ken Love came third in freestyle; Bill Clark was third in breaststroke and third in butterfly; Bill Gowans was second in backstroke and fifth in freestyle and Steve Kovacs came first in breaststroke and second in butterfly. For the relays the four teamed together and got an outstanding first in the Men's Open Medley and second in the Men's Open Freestyle.

For their first year the St. Albert Swim Club has had a most successful season and next year should do even better. While all the swimmers have shown improvement and have really put St. Albert on the map in a highly competitive field, much of the credit must go to Bernie Luttmer. As well

Bill Clark swimming in the Free-style relay at the Provincial "B" finals held at Red Deer last Saturday. The team consisting of Bill Gowans, Bill Clark, Steve Kovacs and Ken Love came in second.

as being Pool Supervisor, Bernie took the Swim Club under his wing and really made it go with his infectious enthusiasm and hard work. St. Albert now has a Swim Club to be really proud of.

### CRAFTS

The St. Albert Craft Guild has planned a varied and exciting programme for the fall. As will be seen in the separate advertisement, better-known crafts will be carried on and as well several new programmes to be introduced, including Creative Needlecraft for both children and adults. This craft is basically the application of materials on material involving creative

embroidery making a design or picture which can be incorporated into articles such as wall hangings, cushion covers, place mats, etc. The adult class will be held in the Arts Centre in Salisbury Park on Wednesday evenings from 8 to 10 p.m. Mrs. Pat Morris, the instructor, is very well qualified, being an art graduate from England and a former instructor for the City of Edmonton and the Edmonton Art Gallery. The children's class will be taught by Mrs. Nell Sadee who is a long time favourite with children in both Edmonton and St. Albert. This class will be held on Monday evenings from 6 to 7:30 p.m.

### ARTS CENTRE

The response to the plea for help in the construction of the Arts Centre has been good - but not good enough to guarantee that it will be completed in time for the fall programme! Money isn't wanted - just more willing hands and a few hours of work from each resident as

a contribution toward this community building.

The residents of Sylvan Drive, Sorrel Cres., Sable Cres., and Gordon Cres., set an excellent example recently when they gathered their forces and offered their services as builders, painters, etc. Anyone who

## Flight

Cont'd from Page 2

cess of thirty students were selected and invited to come along as guests of Air Canada. Many of the party, which numbered 45 in all, including teenagers, special guests and volunteer drivers who took the group out to the Edmonton International Airport, had never flown before. The passengers were treated to an excellent commentary on board the Viscount by a representative of Air Canada.

Cruising at an altitude of about 2,000 feet the panorama below was a sight to behold... the beautifully lighted Legislative Building, the downtown area ablaze with neon lights, the busy traffic on the main arteries and the lovely river banks accented by many new high rise buildings. Once over

St. Albert cries of "there is my uncle's farm" and "look, the shopping centre" accentuated the teens' excitement. Another high light came when the passengers were given an opportunity to view the controls in the cockpit where the pilot answered their questions.

Ted Williams won the American League batting championship six times. The last time he did it was in 1958, when he was 40 years old.

## Recreation News

feels enthusiastic enough to organize "the street where you live" is asked to phone 599-6225 or 599-7513. Don't wait to be asked - just phone either of these numbers. The need is urgent.

### BOYS' SOCCER

Last Saturday the St. Albert Bantams travelled to Calgary to take part in an invitational tournament involving the four western provinces. They won their first game easily by 3 to 1 but the long journey from St. Albert to Calgary proved too much of a strain and after leading in the second game by 2 to 0, lost it in the closing minutes of play. The St. Albert goals were all scored by Doug Ferguson. All the boys, however, put their hearts into the games and were a credit to their home town. Next Sunday the team plays the Italians at Kinsmen Park. So far they have not lost a single league game and have an excellent chance of winning both the league title and the challenge cup.

In the local Atom League Bill Wood's Grandin Rangers are still in the lead. The bad weather and holidays have interfered with the league schedule recently but the season will be moving into full swing again shortly.

### TENNIS

The Senior St. Albert team was narrowly defeated in its bid for the City Championship and the Brower Shield. The team (Betty Ontkian, Dave Kirk, Lorne and Judy Wood, Bernice Parsons and

Bob Harvey) went behind by a score of 2 - 1 at Garneau last Wednesday. On Friday they hosted the Garneau team and a number of enthusiastic spectators saw the local team fight to a 2 - 1 victory making the match scores tied at 3 - 3. The Garneau team took the championship by a margin of 45 - 38 when the game scores were totalled. Our local team are to be congratulated for a fine showing against the stronger club. In the Junior Novelty doubles tournament held last Thursday, Bernice Par-

sons won the prize for the girls and Greg Dobble was highest among the boys. Due the rain last weekend there are no results to report from the invitational tournament at Garneau.

Tennis Club members are reminded of the Invitational "B" tournament which will be held next weekend and

that the entry fees of \$1.25 per event are due on Wednesday to Lorne Wood.

Tickets for the Tennis Club Dance to be held at the Club Mocombo on Friday are available from Floyd Maybee (599-8127) or any member of the executive. The cost of \$6.00 per couple includes a hot smorgasbord.

ST. ALBERT PROTESTANT SEPARATE SCHOOL DISTRICT NO. 6

## Adult Education - Evening Classes

Plans are now being completed for the offering of a variety of courses during the next school year in fields such as the following:

1) High School courses to meet diploma and matriculation requirements including Math. 20A (new), this is a review of the new Grade 9 and 10 Math, and a complete coverage of Math. 20 - enabling you to have a solid background for Math. 30 the following year.

2) Business Education courses in typewriting, stenography and a combination course in bookkeeping, office practice and the operation of small businesses.

These courses may be taken for high school credits or otherwise and will contain 60 hours of instruction, 2 hours per week beginning September 23 - November 24 and the second half to commence the second week in January.

3) Short (10 week) craft and hobby courses in fields such as ceramics, sewing, woodworking, small engines, St. John's Ambulance, specialty cooking, creative writing conversational french, copper enamelling, needlework, pattern drafting and design, print making, child psychology and defensive driving.

Defensive driving will be given by the Alberta Safety League. It is an eight hour course held 2 nights a week. It requires a minimum enrolment of 30 at a cost of \$5.00 per person, open to licensed drivers only.

There will be a minimum of 12 students per class, and these classes will be held in Paul Kane High School or Simpson Junior High School depending on the subject.

High School Courses will cost \$40. per subject. Short craft and hobby courses will entitle you to 10 - two hour sessions at \$20. per course. Courses after Christmas will be arranged according to demand.

All those interested are invited to attend a short meeting at the Sir George Simpson Junior High School on Wednesday, September 11, 1968 at 7:45 p.m. You will fill out your registration form at this time giving your 1st, 2nd, or 3rd choice of subjects desired. We will also ask you to give your 1st and 2nd choice of nights you prefer these courses to be held.

ALL FEES MUST BE PAID AT THE SECOND CLASS OF THE SUBJECT IN WHICH YOU HAVE REGISTERED - THERE WILL BE NO EXCEPTIONS.

Text Books may be rented at \$3.00 per set, per course.

# CALGARY POWER LTD. APPOINTMENTS

G. A. Hadlington

W. Smith

R. G. Brownie

Senior staff changes in the Edmonton Regional Office are announced by M. M. Williams, Executive Vice-President of Calgary Power Ltd. Mr. W. Smith is appointed Edmonton Regional Manager and Mr. R. G. Brownie will assume the position of Edmonton Division Manager. These appointments will release Mr. G. A. Hadlington, Division Manager since 1965, for assignment to an administrative staff position in the Operations Department at the head office of the Company in Calgary.

## First east arctic Eskimo pilot

On August 6, an Eastern Arctic Eskimo become a pilot with the Resolute Bay charter service owned by famed arctic flyer, Wally Phillips. Markosie, a 27-year-old resident of Resolute Bay, N.W.T., is both the first Eastern Arctic Eskimo to earn a commercial pilot's licence and the first commercial pilot to graduate from the Department of Indian Affairs and Northern Development's Occupational Training for Adults Program.

Markosie began his training on July 10, 1967, at Sky Harbour Air Services, Goderich, Ontario. By the end of August he had put in the required 35 hours flying time and passed the exams for his private pilot licence — the first step to qualifying for the commercial licence. Although he wanted to continue his studies, family obligations took him back to Resolute Bay to spend the winter with his wife and children.

In the spring of '68 he was back at Sky Harbour.

Most air schools are geared to training after-5 hobby fliers. Sky Harbour,

however, with full-time instructors allows students to progress at their own speed. Commercial licence trainees must put in a minimum of 200 hours flying time, pass the tough Department of Transport exams and a flight test on single engine planes and twin engine Otters.

Sky Harbour officials predicted Markosie would need four months to qualify, he did it in two.

The man who invented basketball — James A. Naismith — had been one of Canada's greatest rugby and lacrosse players before he got the idea for basketball.

## Dairymen meet minister on feed

The feed supply situation has greatly improved because of recent rains in central Alberta. This was the consensus of opinion of a committee of dairymen who met with the Honourable R. A. Ruste and Department officials August 26. Representatives of the F.U.A. and the Counties of Strathcona, Leduc and Wetaskiwin also attended.

Many farmers are now harvesting cereal crops for silage to relieve the shortage of roughage and hay crops caused by earlier drought.

The next three to four weeks can be critical to the overall feed picture. The present plentiful moisture situation can produce an abundance of fodder if weather permits. The dairymen will be meeting with the Minister of Agriculture in about one month's time to reassess the entire feed supply outlook but the principal concern is the present shortage of high quality legume.

The Committee urged more publicity be given to proper ensiling procedures to make maximum use of this roughage. Reference was made to the silage bulletin available from any District Agriculturist's office. The committee said farmers should read this bulletin to make the most of ensiled crops.

## D.A. Appointed for Sturgeon

Mr. Judd Bunnage, assistant District Agriculturist at Stony Plain has been appointed District Agriculturist for Sturgeon effective September 9th. We are very pleased to have Mr. Bunnage with us and are looking forward to working with him in the future.

Mr. Bunnage will be taking up residence in our municipal district in the near future.

## Bring the outdoors in

by Shirley Rebus - District Home Economist

Where has summer gone? You can't do much about the rain, but you can bring sunshine indoors with flowers.

WHAT TO USE FOR A CONTAINER?

Although it is stimulating to have special vases, bowls and plates just for flowers, you needn't have a large number to begin with. A basic collection would be:

- 1) a plain tall vase (about 8 inches high) in a finish and neutral color that will go well with your decor.
- 2) a low bowl that will go well on your dining table for centerpiece.
- 3) a flatter container for arrangements that look as they grow outdoors.

If your supply of special containers is limited, look through your cupboards. Do you have pudding dishes, casseroles, pitchers or goblets? Quite possibly some of these would be suitable. Vegetable dishes, soup plates, tureens, bean pots, and soufflé dishes are worth considering.

At rummage sales or second-hand stores, you might find pottery jam jars, lidless sugar bowls or pudding molds.

If you feel creative, you can make or adapt containers. How about a tin can wrapped with binder twine and brushed with dye? Perhaps you have received flower arrangements with nicely-shaped containers that didn't suit your color scheme. A can of spray paint will quickly fix that! I have one that I particularly like -- which is simply a glass Erlenmeyer flask spray-painted black.

HARMONY -

No matter what you choose for a container, it should enhance both the room it is in and the flowers in it. This "going together" is referred to as harmony. Consider the following:

Size: Naturally, the container must be deep enough to hold water. Beyond that, it should relate to the size of flowers used. It is suggested that when tall containers are used, the flower stem above the container should be 1 1/2 times the height of that container. When a shallow container is used, the stem above the container should be 1 1/2 times the width of that container.

Shape: Simple outlines are best because they don't detract from the flowers. The shape of flowers and foliage often determines the container to be used.

Color: Plain glass, copper, burnished silver, pewter, or neutral colors (black, white, grey, soft green, blue, brown, beige) are always suitable. If you choose a colored container, it should be a subdued color with a dull finish. Avoid pattern on the container -- this, too, detracts from the natural beauty of the flowers.

Texture: Use light, fragile, smooth-textured containers for small, delicate flowers. Choose bold, sturdy and heavy appearing containers for large, coarse flowers.

BACKGROUND SPACE -

When finding a location for your arrangement, plan to leave adequate space around it to give emphasis. A plain background will be best, particularly for pale and delicate flowers. A beautiful arrangement is something to be proud of -- so show it off!

## M.D. Plans Warble Control

The warble fly or cattle grub continues to be a menace to the Canadian cattle and beef industry. This is confirmed by a recent survey conducted in 15 federally-inspected packing plants in Alberta and Saskatchewan. The survey covering over 80% of the inspected slaughter in the two provinces showed that 41% of the cattle hides had varying degrees of visible grub damage.

In Alberta, 15% of the cattle showed in excess of 6 visible grub marks per hide with the 10-week period of heaviest infestation occurring from March 2 to May 11.

This indicates some deterioration in the grub damage picture in the West. This rather disturbing, as the introduction of systemic grubicides does provide an effective means of virtually eliminating this long time pest from the livestock industry.

An estimated loss of - \$455,000 to the packing industry was noted in a recent survey in which approximately 310,000 hides were examined. These losses occur as a result of carcass trim, decreased carcass sale value and reduction in hide value. The per head loss on all cattle surveyed in the two provinces would be about \$1.40. Furthermore, grubby cattle are known to be less thrifty on the feed lot.

A well planned, co-ordinated program will go a long way to bring about eradication.

The Agricultural Service Board of the M.D. of Sturgeon will be putting a warble grub control program into effect this coming October. This will be a voluntary program where all farmers will be asked to treat their cattle. We feel that good co-operation will be received from all farmers. If this co-operation is not received, then we will have to consider a compulsory program as a last resort to eradicate this pest.

Further information on this program will be published on this page at a later date.

## Gasification

"Gasification" may be a new word in agriculture, but for some farmers in Alberta it is as common as electrification was ten short years ago.

Urban dwellers with gas mains running past their doors have been the envy of their country cousins, but the cost of mains for rural residents has been prohibitive.

Now utility companies are starting to literally "plough" plastic gas mains through the country in much the same way that power lines went through a few years ago.

R. S. Forrest, regional extension engineer at Red Deer, says that plastic mains can be used up to a distance of 20 feet from buildings. Plastic provides a comparatively cheap distribution system as well as a reasonably economical main for farmstead use. Lines can be as shallow as two feet in the farmyard but are usually buried three feet deep in the fields.

The economy of natural gas over L.P. gas as a convenient source of fuel makes it a first choice wherever it is available. L.P. gas is actually the most expensive fuel when

compared with natural gas, oil and coal. A farmer can get approximately 14,000 useful B.T.U.'s per penny from natural gas, 7,000 from L.P. gas, 8,000 from oil and 10,000 from coal. Stoker coal could possibly cost less.

Here, a word of caution is in order. All appliances using gas from gas mains must be C.S.A. approved and all installations must be approved and inspected by the Department of Labor.

Anyone interested in having natural gas piped in to their farm is advised to contact the utility company serving the area. Upon receipt of the legal land description, the staff will locate the farm in relation to existing mains and quote a price on the work required. Services may be obtained at a lower rate if a group of farmers from a particular area are interested in such a project. Unless farmers show a lot of interest in "gasification", it is unlikely to become very common on Alberta farms even though natural gas is an economical fuel that can be used in all farm buildings, even to heating stock watering bowls, says Mr. Forrest.

Namam's Shirley Clark captured the coveted title of Canadian Dairy Princess at the Canadian National Exhibition competition in August. Shirley was previously named Alberta Dairy Princess for 1967 and will now extend her duties as a busy ambassador for the Dairy Industry right across Canada. This marks the third successive year that the Alberta Princess has won the Canadian title.

## Weed Essay Contest

A weed essay contest which is open to boys and girls between the ages of 12 to 18 years is again sponsored this year by the North Central Weed Control Conference. The contestants family must be actively engaged in operating a farm.

The title of the essay is "How We Control Weeds On Our Farm". The essay should deal mainly with HOW and METHODS used to control weeds on OUR farm. It should not be a summary of general weed control.

The essay should be not more than 1,000 words, written in ink or type, written, in the English language only, written on one side of the paper and about weed control on the contestant's farm.

All entries should be submitted to the District Agriculturist Office of the contestant's area not later than October 11, 1968.

The basis of judging are: subject material 75%, and method of presentation 25%. Essays that do not conform to the title will be disqualified.

Boys and girls from the 14 North Central States and the three Prairie provinces whose families are actively engaged in farming are eligible.

The grand prize will be a \$300. scholarship which will be available to the

winning contestant at the time of registration at a recognized agricultural college in courses of agriculture or home economics. This scholarship award will be available to a maximum of three years after graduation from high school. There is also a Provincial award of \$25. for the best essay in the province.

I would like to see lots of entries from our area as many of the farmers in this area are doing an outstanding job on weed control. So come on you young people, let's hear about it.

For any further information contact the District Agriculturist or Fieldman at the Municipal Building in Morinville.

Don England,

Fieldman.

TAKE ME TO YOUR ... LEADER!...

11. 11. "Hap" Arnold was promoted to the rank of general of the army in 1944, and in 1949, received the rank of general of the air force. He is the only man in American history to hold both these five-star ranks.

## Letter to the Editor

### Some parents against Horse Hill

As reported and recorded in the minutes of the meeting of the electors of Notre Dame S.D. #324 were permitted to take part in the vote by a decision of the divisional board. Stated in the Gazette of August 28 - "Notre Dame S.D. #324 (with centralization at the Horse Hill School)" this must raise a few questions in the minds of electors as to how a school district could be part of two centralizations with equal voting privileges. What are an electors rights within his own S.D. if the divisional board can include other school districts to decide an issue which does not concern them?

The results of the August 12 meeting would seem like a decisive victory (of sorts) for the divisional board, and that the future school of the students who had previously

attended Saskatchewan R.C.P.S.D. #2 would be Horse Hill School. But there are still some parents who feel that they have some say when it comes to the education of their children.

Fifty-seven (57) children from twenty-three (23) families will not be attending Horse Hill School this year. These parents have elected

to send their children to Our Lady of the Angels School and the Public Schools in Fort Saskatchewan.

Despite the fact that 49.5 mills of our taxes go for education, these parents have decided to pay for the cost of transportation to Fort Saskatchewan rather than be dictated to by a divisional board who have no regard for the wishes of the people who are footing the bills in this division.

Mrs. Robert Lamoureux

## Bon Accord tourney opens new diamond

The Bon Accord Baseball Club now under the sponsorship of the Bon Accord Community Centre Ltd., held a successful two day tournament on August 3 and 4. The weatherman was very co-operative and the bright warm weather brought many people out to watch the ball games, try their luck at the games of chance and sample the goodies at the booth.

The occasion marked the opening of the ball diamond which has been re-built. On Sunday, August 4, a ribbon cutting ceremony was held with Mr. Keith Everitt MLA acting as master of ceremonies. Mayor Elmer Brennan of Bon Accord gave a short speech of welcome and congratulations. Mr. Jack Bigg M.P. for Pembina cut the ribbon which was held by Mr. Jack Curry of Edmonton, formerly of Willow Springs and Mr. Hugh Allen of Bon Accord. Both the latter mentioned gentlemen have done much for baseball in the district in the past years.

The members of community centre wish to thank everyone who helped in any way with the building of the ball diamond and also at the tournament.

This kind of work and co-operation can go a long way in making this ever growing community a place to be proud of for both the younger generation and also the 'old timers'.

## NAMAO NEWS

by Audrey Gibson

The Namao 4-H Buttons and Bows Clothing Club held their organization meeting at the home of Mrs. Betty Samis on August 19, 1968. The election of officers was held. The elected executive are: president - Audrey Gibson; vice president - Terri Jeffery; secretary - Collette Forest; treasurer - Irene Crozier; news reporter - Colleen Jeffery; entertainment - Bonnie Gray; lunch - Louise Huber.

Sixteen members were present. Lunch followed. Next meeting September 16 at the home of Mrs. Barbara Horricks.

One of the most famous Italians - Christopher Columbus - never learned to read or write the Italian language, although after he left Italy he learned to read and write both Spanish and Latin.

## Recreation Announcement

All those interested in taking piano, guitar or accordion lessons please take note of the following announcement. On September 9 at 7:30 p.m. in the Morinville Recreation Centre there will be an organization and a get acquainted meeting with the teachers of the ABC School of Music.

Remember this is for all interested parents regardless of where you live. Please make a point of being at the Centre September 9 at 7:30 p.m.

Submitted by Rachel Morissette  
P.R.O. Morinville Recreation Board.

## Sturgeon Calendar

There is no charge for any coming event item placed in this column. Items may be mailed from any part of the Sturgeon Municipal District to Box 263, St. Albert, or Phone 599-7144.

SEPT. 10-LEGAL - Opening day at Joe's Esso and Coffee Shop.

SEPT. 10-BON ACCORD - 1st Parade #524 Sturgeon Air Cadet Squadron, 7:30 p.m. School gym.

SEPT. 14-MORINVILLE - Annual Banquet and Dance, Sponsored by Landing Trail District Cub and Scout Association at the Recreation Centre, 7 p.m. For Tickets phone Nick Woykiw at 256-3194. All interested adults welcome.

SEPT. 16-NAMAO - Buttons and Bows Clothing Club meets at the home of Mrs. Barbara Horricks.

## Prize winners Drawn in Legal

Due to the mail strike the tickets were not drawn at the Fete au Village on July 28. Last week a meeting was called and everyone was invited to attend. Our charming Mille Fete au Village Lorraine Brisson, drew the three lucky tickets.

The \$100. prize winner was ticket #3149 owned by Ron Bradley, 4115 - 111B St. Edmonton.

The \$50. prize winner was ticket #8354 owned by N. Klebak, Box 400 Thorhild Alberta.

The \$25. prize winner was ticket #8132, R. Neumann, R.R. 1 Coronado, Alberta.

Mille Fete au Village then addressed the gathering in french and english. The chairman, Walter Van DE Walle thanked Lorraine and everyone for coming, also for the co-operation received from the community which made the 1968 festival the best Fete au Village yet.

## M.D. Sturgeon Council Meeting

Councillors G. Wilson, L. Rye, W. Flynn, S. Walker, W. Van de Walle, D. Bevington, Superintendent of Public Works R. Stack and secretary treasurer A. J. Nobert were present for the August 15 meeting of the Municipal District of Sturgeon.

Reeve Walker called the meeting to order at 9:05 a.m.

Following a discussion on the proposal of Apex Gravel for Leasing road allowance for gravel removal, it was moved that council do not approve the sale of gravel nor accept Apex Gravel's proposal for the removal of gravel on the road allowance between Pt SE, 36-55-22-4 and Pt. N/NE 25-55-22-4.

The Public Works Committee reported that they had investigated a complaint by Edith Fraser and had instructed the Superintendent of Public Works to install a cul-

vert at the crossing W/NW 6-54-24-4 as soon as the equipment is available.

C. J. Woods Ltd's quotation of \$5,470, to repair the roof of the shop was submitted to council, who decided not to accept it. The superintendent of public works was instructed to start repairing said roof with the public works crew. Such repairs would, it was felt, serve the purpose for some time yet at very little cost to the municipality.

### NORTHWESTERN UTILITIES

Moved that council approved the proposed plans for the installation of a gas pipe line in Townships 54 and 53, Ranges 26 and 27, west of the 4th meridian, and in Township 54, range 1, west of the 5th meridian subject to the condition that all crossings of district roads be bored through and not ditched.

The following is a brief resume of the monthly financial statement that the secretary treasurer submitted to council and approved.

|                                      |              |
|--------------------------------------|--------------|
| Net balance at end of previous month | \$105,504.02 |
| Receipts for the month               | 424,132.13   |
| Sub Total                            | 529,636.15   |
| Less Disbursements for the month     | 275,070.91   |
| Net balance at end of the month      | 254,565.24   |

The secretary treasurer read to council the expenditure and revenue monthly statement, copies of which were distributed to each councillor. It was accepted

## All drivers take note

NAMAO - At a recent meeting of the Namao local school board the board met with several school bus drivers and Mr. B. Aisenstat an inspector from the inspection service branch, Attorney General's Department. The following procedure from the Motor Vehicles Regulations with regard to stopping when a school bus stops was reviewed as follows:-

"128 (1) When a vehicle bearing the sign 'school bus' has stopped on a highway outside an urban area to receive or discharge passengers or while the vehicle is displaying alternately flashing red lights, a driver approaching the school bus

(a) from the rear, if the highway is a four-lane divided highway, or

(b) from either direction,

if the highway is a two-lane highway or a four-lane undivided highway, shall stop before reaching the school bus.

(2) A person who is required by subsection (1) to stop before reaching a school bus shall not proceed to pass the school bus.

(a) until the school bus resumes motion, or

(b) until the driver of the school bus indicates by a signal that he may proceed, or

(c) where the school bus is displaying alternately flashing red lights, until the lights stop flashing."

It was further noted, that any charge resulting from an infraction of these laws is heard in court and therefore is not of a voluntary payment nature.

### ROAD STUDY

Public works committee: Mr. Van de Walle, chairman of the committee read to council the minutes of the public works meeting held July 9 and August 8, 1968. On the subject of survey and assessment of municipal roads to industrial development, it was moved that council request the public works committee to make a study of every road leading to Imperial Oil Fertilizer Plant and all other industrial developments within and outside of this municipality and that such findings be submitted to council when study is completed.

Council approved the expenditures of gravelling 3 miles of road on the Legal west Busby road.

## Gibbons Garden Club Achievement Day

by Barbara Paradis  
GIBBONS - Achievement Day, the climax of the year for the Gibbons Garden Club was held on August 27. Despite the "traditional" rain, the annual activity was a great success.

In the early afternoon, the girls gathered in the Gibbons Community Hall to set up their displays. The judges for the afternoon were Mrs. Shirley Rebus, our District Home Economist, and Mr. Greg Wilkes of the 4-H Summer Staff. This year, the three oldest members, Sharon Visscher, Margaret Elliott, and Barbara Paradis were junior judges and helped to make the first year displays. All the girls made a good showing with their exhibits as many red cards were awarded to their entries.

Later that evening, everyone returned to the hall for

## Letter to parents

Education can be carried on to the best advantage only where there is sympathetic co-operation between home and school. Members of the staff are ready to assist you in any matters pertaining to your boy's or girl's education.

At school, an effort is made to promote the wide reading of good literature. You, as a parent, are asked to encourage the reading of good books at home.

Wholesome food, regular habits, plenty of rest and fresh air are important factors in good health. Succ-

Base Commander Capt. C. F. Frewer of C.F.R. Esquimalt, B.C., presenting the trophy for the best academic cadet to W.O. 2 Tom Carleton of #524 Sturgeon Air Cadet Squadron. Cadet Carleton completed the six week physical and recreational training program as the only cadet from Alberta.

## Sturgeon Cadet wins high award

BON ACCORD - The reorganization meeting of the #524 Sturgeon Air Cadet Squadron was held on Monday, Aug. 26. Present were sponsoring committee members, officers and sev-

eral cadets.

It was decided to hold the first regular parade of the year on Tuesday, September 10, at 7:30 p.m., in the gymnasium of the Bon Accord school.

All boys from Bon Accord and surrounding areas who will be 13 years of age before September 1st, 1968, or who are in grade 8 are invited to attend.

Any parents or interested persons wishing to be on the sponsoring committee are asked to contact the president Mr. Bill Carleton or the secretary Mrs. Thalia Christensen.

We are hoping for another successful year and the same help and co-operation from all parents and interested people that we have had in past years.

## Sturgeon Board reports on Horse Hill

The Sturgeon Divisional School Board announced this week that 32 students will be attending the Horse Hill School this term under the new arrangements for the Saskatchewan attendance area. At the end of the June term 82 students were enrolled in Sturgeon division from this area. The loss of the pupils from the division will cost the Sturgeon Board about \$16,000. in revenue, which represents about one mill, it was stated by chairman George Wilson.

When the board received a petition signed by residents of "Paradis" district

against the Horse Hill decision this summer, they made enquiries of the provincial department and discovered that the department had inadvertently neglected to remove this boundary from their records. (The boundary had run coterminous with Notre Dame to include those students wishing to attend a separate school while this was in operation years ago).

At the meeting held August 12 to vote on the Horse Hill decision, this situation was explained and the board stated that if any persons at the meeting wished to challenge the board's method of voting (giving representation to ratepayers from all three districts originally making up the Saskatchewan district) they could do so to the provincial department of education. A senior representative of the department was present at the meeting and was asked for his opinion. He stated that they supported the action being taken by the Sturgeon board. A ratepayers motion giving the board a vote of confidence in their method of handling the meeting and poll was carried with 123 in favor and 3 opposed.

The Sturgeon board felt the matter had been settled in the fairest way possible and regrets the loss of the students not enrolled in Horse Hill.

from the standpoint of what the student is capable of doing. Zeal, perseverance and dependability are being acquired only if the student is striving to do his or her best.

The school exacts the same standards of obedience, truth, cleanliness, application to studies, interest, regularity and punctuality that should obtain in a well regulated home.

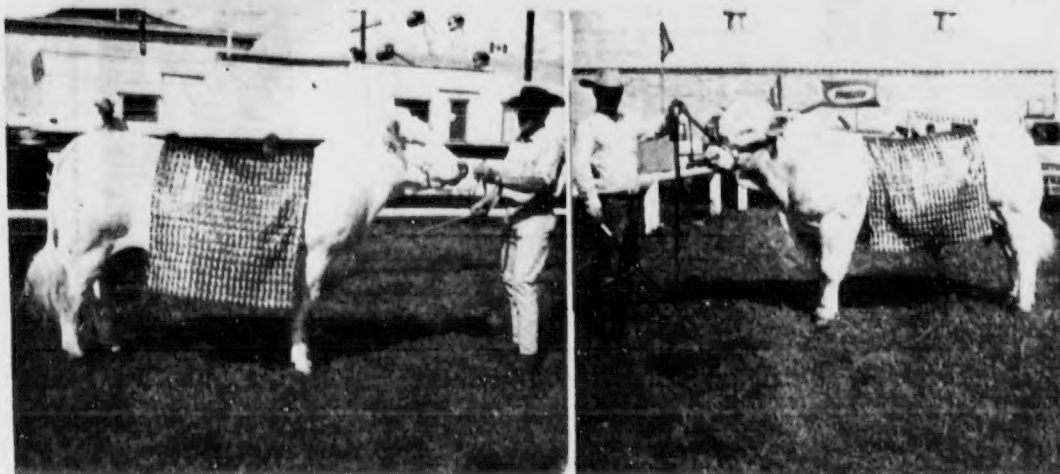

Regular attendance is a highly important factor in a student's progress. Even occasional half days have their ill effects. We strongly urge parents to send pupils regularly.

W. J. Fitzpatrick,  
Principal,  
Thibault School District.

# Charolais Show

Bichette

Cadet-Roussel

In recent years Charolais showing has had to take second place to the French Importation. Both selecting cattle in France and the Western fairs come at the same time. The same held true this year, however, the breeders made more effort to have their cattle ready.

For the first competitive showing at the Red Deer Exhibition August 2nd, six Charolais herds competed with 23 animals. Judge Roy A. Biensch, Artland, Sask., selected Cadet-Roussel, a long yearling French imported bull owned by Rudiger Ranch Ltd., Calgary for Grand Champion bull. Reserve Grand Champion bull was Bouvreuil, two year old French imported bull owned by Charrouse Ranch, Stettler, Alberta. Grand Champion female was Bichette, owned by Charrouse Ranch, Bichette was imported from France in 1967. Reserve Grand Champion female picked was a 1/2 French heifer Miss Lazy J. R. Andalou 10Y, owned by Rudiger Ranch Ltd., Calgary.

Breeders competing were: Mrs. E. R. Borgal, Priddis; Charrouse Ranch, Stettler; Rudiger Ranch Ltd., Calgary; San Dan Charolais Farms, Erskine; George Stewart, Falun; W. S. Stewart, Wetaskiwin.

**Can it really be true?**

## Dollars and sense

Dear Sir,

In your opinion, is it suggested to continue holding on to a coin collection and a stamp collection, being kept in a bank safety deposit box, as a hedge against inflation, to retirement (about 12 years hence); or, disposing of them now and investing proceeds in a safe security; as bank, savings and loan etc. The coins were not purchased, but were merely in good condition, taken from pocket change from 1935 to 1960, and represent a couple of hundred dollars worth, in pennies, nickles, dimes, quarters, halves and a few silver dollars; also some

foreign coins. (A few dates go back as far as 1860.) There is, and has been, of course, no income from this idle change and in addition, we pay a safety deposit box rent each year. Also, if disposed of now, would income tax be required to be paid on any profit? Could box rent, loss of interest, etc., be considered.

The stamps are less valuable and also were not purchased for collection, but merely saved (those in good condition) after having been cancelled. These represent many, many commemoratives and also some foreign ones too. There is no monetary investment, and they take up only a small amount of space in storage. Most of them are still sealed to a portion of the envelope.

How does one go about seeing if there is a market for these now. Or do you suggest holding them also as a further hedge against inflation for retirement.

M.G.

You could be putting me on, but in the absence of any firm knowledge to that effect I must assume your questions are serious ones.

First, almost any bookstore has a host of books on coin and stamp collecting, any one of which will tell you whether any of the coins or stamps you have are valuable.

Second, no amount of money sitting in a safe

deposit box is a "hedge against inflation". The hedge against inflation is the investment that increases in dollar value as the economy grows or the purchasing power of the dollar declines (inflation). I'm talking about something like real estate or common stocks.

Certainly, even a bank or savings and loan savings account would increase the value of your savings more than will a collection of coins in a safe deposit box.

Finally, I cannot believe that the intrinsic values of your coins would have increased to such an extent since you have been saving them that you would have to consider the matter of income tax at all.

Unless you are a bona fide stamp or coin collector who enjoys this hobby, I'd "cash in" and put that couple of hundred dollars to work for me in some other way.

## WEST END FARM EQUIP

16620-109 Ave, Edmonton  
PH. 484-4033

A weeding out process is underway in the federal civil service, according to a report by Clive Baxter in the Financial Post, which states that officials at Ottawa are producing long and growing redundancy lists. Some bureaucrats will be offered the choice of leaving the service or taking a pay cut. There is talk in high places of layoffs where new jobs cannot be found for those displaced. The Financial Post writer says this stems from the far reaching reorganization of government departments announced last month, coupled with a drive of remarkable persistence to hold down all federal expenditures. No estimates are available of the number of people involved.

## Judges chosen

The Edmonton Jaycees have selected the following prominent citizens to act as judges for the Miss Edmonton Pageant:

1. Miss Jo Green - Hostess at CBC.
3. Miss Karen Harding - Women's Editor for Edmonton Journal.
3. Miss Marlynn Christensen - Fashion Co-ordinator at Simpson Sears.
4. Mr. Thomas Rolston - Acting head of Dept. of Music at U. of A.

The above people will choose the girl who will represent Edmonton in the Miss Canada Pageant at Toronto in November.

Jaycees are still seeking girls to act as contestants for the local pageant to be held at the Macdonald Hotel September 27.

# the Gazette REFLECTS

Whatever else 1969 is holding in store, it is to be hoped that next Labor Day will not be as gloomy as this one. On top of dreary cold weather for summer's last long week-end, troubles on the labor scene are plaguing Canadians everywhere. The grain handlers strike drags on, adding to the burden of Western farmers. Increases in postal rates are due, following the postal workers strike, and numerous strikes in the building and construction field remain unsettled in Alberta and elsewhere. Salary negotiation with the A.T.A. remain unsettled in hundreds of school districts. With governments at municipal, provincial and federal levels all announcing cut-backs and trying to hold the line on budgets one wonders how long the economy can support a seemingly endless line of strikes and the resulting millions in lost production.

A headline in the local daily press announcing on AUGUST 21 that a line of "outdoor wear makes a perfect answer to your Christmas 'PROBLEM'" didn't do much to cheer us up. Is another holiday and the most looked-forward to of all, to be reduced to some kind of headache - in August?

Perhaps we could look forward to a happy Thanksgiving if the prospect hadn't been marred by a recent nationwide television program in which an announced atheist confronted Dr. Mutchmore, former United Church moderator, with the so-called fact that religion isn't really relevant any longer. So who do we thank for our blessings - the almighty dollar?

## Letter to the Editor

Dear Sir,

I would not like the fact to go unnoticed that the St. Albert Tennis Club has done exceptionally well in the district competitions this year. Last year the courts were being built and therefore not much tennis was played, but now the club seems to have made great strides ahead.

I would, especially, like the young members of the club to know that the people of this town are proud of their performance in winn-

ing or reaching the finals of several city tournaments.

The St. Albert Tennis Club as a whole were runners-up in the Brower Shield competition, beating such teams as Glenora, Fort Saskatchewan and Bonnie Doon, but finally were edged out by Garneau.

This is a great achievement after only one year's playing on the new courts. Congratulations!

Norman G. Dolman

## Lutherans begin new study course

Sunday, September 8, will be the initial beginning of another exciting year at St. Albert Evangelical Lutheran. Who can possibly keep from being excited over a Sunday School Rally, the installation of another staff of excellent teachers, and the use of a completely new course of studies from nursery up through the adult Bible Class? The study that all grades will be using this year is "The Life in Christ" series, graded in such a way that every child will understand and benefit from such a Sunday by Sunday presentation of God's word.

Then too, we will be going through a Sermon Presentation of the Bible, from Genesis through Revelation under the topic for the year "God Has Spoken - He Still Speaks". The scripture lessons will be read from "The Story Bible" by Catherine F. Vos, so that children and younger adults will also derive much from gathering with their parents at the Sunday Worship Services. Our one aim and slogan in all that we stand for and seek to do will be: "Faithful Worship Cements Family Ties". I can think of no greater accomplishment and joy than to walk that path with my family that assures me of

God's blessings today, and God's Benediction on tomorrow!

Pastor Ray Olson.

## 4-H Club Presents Awards

by Audrey Gibson  
NAMAQ - The Sturgeon Valley 4-H Dairy Club held its eleventh annual banquet and awards night on July 29 in the Namao Community Hall.

The chairman for the evening was Brian Clark. The evening began with O'Canada after which the 4-H pledge was lead by Lorne Okerman. Walter Kok said the 4-H Grace before the banquet in the basement. After the banquet the program moved upstairs for the presentation of awards. George Tolsma led off with the introduction of the club executive, members, and leaders. He was followed by Arthur Tolsma with the annual president's report.

The presentation of awards began with the presentation by Doug Crozier

The Northern Wheelers will be holding a 50-mile criterium cycling event on a 1 1/4 mile circuit in St. Albert on September 22. One hundred and fifty dollars (\$150.) in prizes have already been donated and a good turnout of fans is expected to witness the event. The Victoria Cycling Club is holding a 25-mile championship on Highway 16 West in the morning that Sunday and the criterium in St. Albert goes at 2:30 in the afternoon. Photo was taken during the first criterium held in St. Albert this spring.

for the Champion Calf. The award was sponsored by the Edmonton and District Milk and Cream Producers Assoc. and went to Henry Van De Vliert.

The next award went to Joan Ebbers. It was donated by St. Albert Pharmacy for the Grand Champion animal. The Showmanship award introduced by Nelson's Surge Sales & Service went to George Tolsma. The judging award went to Joan Ebbers and was presented by Henry Van De Vliert for Alberta Flour and Feeds. Surrey View Farm donated the next award for feed records. The award went to Doug Crozier and was introduced by Jimmy Crozier. Harold Hoffstra introduced the next award for Kentucky Jersey Farm presented for the best groomed animal. The best stall sign award was introduced for Curtise Feeds by Lorne Okerman and went to Brian Clark. Royal Bank of Canada's public speaking award went to Joan Ebbers and was introduced by Walter Kok. The demonstration award was introduced by Arthur Tolsma. It was donated and presented by Shirley Clark to Joan Ebbers and Jacob Fokema. The award for the best groomed calf of a first year member was donated by Eaton's of Canada, introduced by Jimmy Crozier and went to Lorne Okerman. The next award went to Joan Ebbers. Her award for efficiency was donated by Kilmagar Farm and introduced by George Tolsma. The best first year member award which went to Arthur Tolsma was introduced by Joan Ebbers and donated by Springcove Farm. The thirteenth award for the youngest member was donated and presented by Harry Pederson and went to Lorne Okerman. It was introduced by Doug Crozier. The all member awards from the club funds were presented by Melvin Clark. The club week

award last to be announced went to Doug Crozier.

Next on the agenda Joan Ebbers introduced the guest speaker. John Bocock

## Vimy Column

Recent visitors at the Landry homes were Rev. Charles Edward Brassard, Mr. D. Brassard, Mrs. P. Lamothe and Mrs. M. Brassard from Quebec.

Mr. Denis Gagne serving at the Air Force Camp in Clinton, Ontario, was on a ten day leave at the home of his parents, Mr. and Mrs. Ben Gagne.

## Pirates compete in ball tourney

The Pirates of the St. Albert Knights of Columbus Little Canadian baseball league competed in a four team tournament in Breton on the Labor Day weekend.

They lost their first game Sunday, 8-2 to the all-city champions Killarney Community League of Edmonton then lost 22-18 to Ponoka and 11-1 to Warburg on Monday.

Killarney won the tournament, following up the victory over St. Albert with a 15-5 win over Warburg and a 21-4 trouncing of Ponoka. Johnny Strychun of Killarney was named the series most valuable player followed by Stephen Hoffart of St. Albert.

Stephen Hoffart started the game against Killarney and held the hard-hitting city club to two hits and a 5-2 edge until the fourth inning, when he came up with a sore arm. Mike McNeely came on in relief and after giving up a single, retired the side in order. Killarney scored their last three runs of the game in the fifth inning when McNeely walked the first three batters and his mates followed with two costly errors. The Pirates only got two hits in the game, Roger Meunier getting a single and Chris Hoffart a triple.

The game against Ponoka started at 11:00 in the morning but didn't finish until 3:45 in the afternoon as it was interrupted for an hour and a half by rain and went three extra innings. The Pirates had only a five minute break before they took to the field for another hour and three-quarters against

Warburg.

Pirate batters had a field day against Ponoka pitching, with Timmy O'Neill and Gerald Langevin each banging out three hits and Dale Reinbolt and McNeely each two. In the field, however, they didn't fare so well.

Reinbolt started on the mound, but after fanning the first batter on four pitches, lost his control. He gave up three runs in the first inning and four more were in and the bases loaded when he was relieved by Sandy Millroy in the second. Millroy fired three straight strikes to get out of the jam and remained on the mound until the ninth, when, with one out, he developed a streak of wildness of his own, and Ponoka took full advantage of it. Meunier came on in relief with four runs in and the bases loaded but couldn't put out the fire until another three runs had crossed the plate.

Despite the high score, it was one of the most exciting games of the tournament. Ponoka got three runs in the top of the first inning; St. Albert got four in the bottom. Ponoka got four runs in the top of the second inning; St. Albert got seven in the bottom. Ponoka got one in the third, three in the fourth and four in the fifth as the Pirates fell apart in the field. But the Pirates tightened up in the sixth inning, retiring the side in order, and trailing 15-11 with last bats rallied for four runs to force extra play. They played flawless ball afield for the next two innings but couldn't muster anything at the plate. In the ninth, the story was walks and errors and Ponoka scored seven runs. The Pirates rallied for three in the bottom half of the inning but when Reinbolt was nipped trying to sneak home on an overthrow, it was all over.

Against Warburg, the Pirates didn't really have much to offer. Brian Benton fired a seven-hitter but errors caused his downfall. A dropped pop fly with two away in the first inning paved the way for five Warburg runs. The Pirates only got three hits, Reinbolt getting two and O'Neill one.

Actually the Pirates were undermanned for such a tournament. Hoffart and McNeely complained of sore arms the first day so their pitching was lost for the second. Gary Bruens, a pick up from the Senators who is probably the #2 pitcher in this age group in town, decided against making the trip so it meant throwing in Millroy, who had only pitched eight innings this year and hadn't pitched since the first of June. They also sorely missed shortstop Hans Commandeur and had catching problems when Langevin developed a sore arm and Meunier caught a foul ball in the thigh.

## GIBBONS GARDEN CLUB

Cont'd from Page 1

Provincial 4-H competitions at Olds.

No one forgot the entertainment section: sing songs, skits and the taping of our first place radio play we entered in the CFCW Radio contest.

The gifts and awards were then presented. Each member received a gift from our leaders, and in turn, 4-H leader's pins were given to our leaders from the members. The awards from the Alberta Wheat Pool and Royal Bank were presented to the winners. Sharon Visscher was awarded the prize for the best garden, "Fifty Mighty Men", a book written by Lieutenant Governor Grant MacEwan and presented by Mr. Knight from the Alberta Wheat Pool. The Royal Bank trophy for the highest scoring achievement day display and presented by Mr. Gaetz, was won by Barbara Paradis.

Following this, lunch, highlighted with international dishes, was served. The girls enjoyed presenting the program and would like to thank all those who attended and helped to make our 1968 Achievement Day a success.
